Re: Submersible Pump Station Pumps

On Thursday November 1, 2018 bids were opened in the Town Council Chambers for two "Submersible Pump Station Pumps". It was advertised in the East Greenwich Pendulum, on the town's website, and was also posted on public bulletin boards at the town hall and the public library. One (1) bid was received for the pumps. The best qualified bid for the "Submersible Pump Station Pumps" was received from **Xylem Water Solutions USA** for the prices on the attached bid tabulation sheet.

Therefore, I recommend award to the best qualified vendor, namely ***Xylem Water Solutions USA, 14125 South Bridge Circle, Charlotte, NC, 08273 phone # 610-408-6526*** for a combined delivered price of \$23,300.00 for the Submersible Pump Station Pumps.
