Re: Bulk Material and Road Striping Bid Results

On Wednesday, March 6, 2019, bids were opened in the Town Council Chambers for Bulk Material and Road Striping for the Highway Department. Bids were requested for the delivery and pick-up of bulk materials, such as sand, concrete and stone, along with road striping services. Bids were sent to forty (40) vendors who supply these types of materials or services. It was advertised in the East Greenwich Pendulum, and the town's website. It was also posted on public bulletin boards at the town hall and the public library. Ten (10) bids were received for the various materials and services. The lowest qualified bids conforming to specifications are indicated on the attached bid tabulation sheets and are shown shaded. I therefore recommend award to the low vendors as indicated on the bid tabulation, namely Material Sand and Stone, Johnston Asphalt, Narragansett Improvement Co., Hi Way Safety Systems inc., JR Vinagro, Safety Markings, and Cardi Corporation for the net prices as indicated on the bid tabulation sheets.

Cc: Jim Fogell, Highway Department Superintendent
Cathy Bradley, Parks and Recreation Director
