Re: Purchase and delivery of Wastewater Treatment Plant Chemicals

On Thursday, March 7, 2019 bids were opened in the Town Council Chambers for the "Purchase and delivery of Wastewater Treatment Plant Chemicals". Bids were sent to eighteen (18) vendors who provide these types of products. It was advertised in the East Greenwich Pendulum, and the town's website. It was also posted on public bulletin boards at the town hall and the public library. Five (5) bids were received for these products. The lowest qualified bids conforming to the specifications are indicated on the attached bid tabulation sheets and are shown shaded. I therefore recommend award to the low vendors as indicated on the bid tabulation sheet, namely John R Hess & Co., Univar USA Inc., and Aries Chemical Incorporated for the net prices as indicated on the bid tabulation sheet.

Cc: Shawn O'Neill, Wastewater Superintendent
