Dear Honorable Council Members:

My name is Gerald Zarrella Jr. I am Michael Zarrella's younger brother. I was sorry to hear that Peter Madison passed away and offer my condolences to his family. With his passing there is a vacancy on the Board of the Kent County Water Authority. I have been asked by some of the members to put my name in for consideration by the Council.

Currently there are 2 builders, a councilman, a lumber salesman, an engineer and a former Democratic Chairman from the City of West Warwick on the Board. I have the credentials to sit on that Board and represent what is best for Kent County and what is best for East Greenwich.

I would work very hard to make sure there is no waste; that the rates will stay as low as they can and that the service and updating of the system will be a priority.

I currently live at 815 South Road and have lived in East Greenwich all my life. I was co-captain of the East Greenwich hockey team that went 19-0 and won the championship. I was also a member of the Democratic Town Committee in East Greenwich when my father was chairman.

After graduation I went to Tulane University for Architectural and Engineering. When hurricane Katrina came and closed the school, I then went to Wentworth Technical Institute and graduated with a degree in Construction Management. While in school I obtained several OSHA certifications for jobsite safety as well as my LEED AP license as a master of energy efficient housing or "Green Building." After college I worked for Tocci Building Corporation out of Boston as an assistant project manager working on multiple major development projects in the new England area. Today, I have my own business, Zarrella & Associates and West Glen LLC. I have built over 100 homes and condominiums, on the job I have been a part of many water and sewer tie ins.

I think it's important that young blood starts to fill some of the openings that you will be able to fill as an elected body.

I would ask to be considered for that position and would be glad to meet with all of you for an interview. My contact information is: jz@zarrelladevelopment.com, office phone is 401-884-9900, and cell phone is 401-935-0001

And my office manager is Tina Marchesseault and can be reached at my office at 401-884-9900.

I would like to thank you all in advance.

Cheerfully,

Gerald P. Zarrella, Jr.
