Re: Planning Committee Appointment

Please accept this letter as my request to be appointed to the Planning Board for the Town of East Greenwich. I feel I would be a valued member of the board for the following reasons.

I grew up and attended schools in East Greenwich, graduating from the High School "Class of '78". I attended several satellite college classes related to my career as a firefighter in town from which I retired as a Lieutenant due to a job-related injury. I had also previously worked in construction, with companies creating subdivisions in town and around the state. Which included installing drainage and utilities, and preparing house lots. I have also worked in the carpentry field of construction.

I would like to be given the opportunity to again volunteer for my community.

Thank You for your time and consideration.

Re: Committee/Board Appointment

Please accept this letter as my request to be appointed to the Planning Board for the Town of East Greenwich or the Town's representative on Kent County Water Authority. I feel I would be a valued member of either position for the following reasons.

I grew up and attended schools in East Greenwich, graduating from the High School "Class of '78". I attended several satellite college classes related to my career as a firefighter in town from which I retired as a Lieutenant due to a job-related injury. I had also previously worked in construction, with companies creating subdivisions in town and around the state. Which included installing drainage and utilities (including installing water mains and private water services), and preparing house lots. I have also worked in the carpentry field of construction.

I would like to be given the opportunity to again volunteer for my community.

Thank You for your time and consideration.
