Resume for EG Cove Management Commission

I am interested in serving a 3 year term as a volunteer on the East Greenwich Cove Management Commission. I received a PhD in Electrical Engineering from the University of Illinois in 1994. I have operated my own engineering firm Applied Radar, Inc. as President/CEO since 1996. I am a member of the East Greenwich Yacht Club and an avid power boater, sailor, and scuba diver. I am interested in and knowledgeable about marine ecology, maintaining public right of way to the waterfront, boating issues, and promoting safety and access to Greenwich Harbor, including docks and moorings. I currently own a 24 foot power boat and a 16 foot inflatable boat, which I operate either off of a trailer or mooring. I own a private mooring in East Greenwich Harbor through the City of Warwick where I used to live. I know the Warwick (Jeff Baris) and East Greenwich (Jim) Harbor Masters, and several of the Mooring service providers including Ray Wells and Scott Lehigh. I am also well known at the East Greenwich Yacht club, and have been a member in good standing there since 2008. My father and son are also members there.
