Good afternoon,

My wife and I recently relocated to East Greenwich from Pennsylvania for work and I wanted to submit my application and resume for an open Planning Board position. I have my law degree and have worked in real estate and zoning matters for the past five years, with and for various local and state governments. We have taken a liking to our new town enough that I'd be happy to get involved where helpful.

Thanks for your time and feel free to reach out any time with any thoughts or questions.
