Re: Nissan Leaf of Equal Electric Vehicle

Town Bid for "Nissan Leaf of Equal" Electric Vehicle will be used for to purchase a Nissan Leaf S. Two bids were received. The other bid was non-conforming to the bid documents: delivery was more than 30 days – 120 days.

It is the intention of the State Office of Energy Resources to provide incentives for the purchase of an electric vehicle(s). The OER incentive of \$7,500 per vehicle will be paid to the town. So the town will need to need to pay Speedcraft Nissan \$19,500 while waiting for the OER incentive of \$7,500.

A motion to award the bid to Speedcraft Nissan, 885 Quaker Lane, West Warwick, RI 02893 for the "Nissan Leaf or Equal" Electric Vehicle in the amount of:

Gross cost = \$32,425 – municipal discount of \$975 – Nissan Municipal Rebate of \$5,000 – Federal Tax Credit of \$7,500 = \$19,500 to Speedcraft Nissan

The town has applied for an additional State of Rhode Island Office of Energy Resources (OER) electric vehicle purchase incentive of \$7,500

Expected final net cost of vehicle: \$19,500 - \$7,500 = \$12,000.

I recommend award to:

Speedcraft Nissan
885 Quaker Lane
West Warwick, RI 02893
