On Sunday July 2, 2017, at approximately 1250 hours, I, Officer Leif R. Anderson, was dispatched to Cora Street for a report of property damage to a motor vehicle due to a traffic counter line and spike.

Upon arrival, I spoke to the reporting party, Retired Patrolman Don Mong. Retired Patrolman Mong stated that he was travelling north on Cora Street. He was operating a Ford F150 which bore RI CM 130069. As he travelled north, the vehicle crossed over the traffic counter line near Utility Pole 5. Shortly afterward, Retired Patrolman Mong pulled to the side of the road and stopped due to noise from the front passenger tire. He immediately observed that a spike and line from the traffic counter had punctured the tire. The tire was losing air quickly. I followed the vehicle to Blue Sun where Retired Patrolman Mong was to attempt to have the tire plugged. I advised him that the incident would be documented. Dispatcher Marcello left a message for the Highway Director regarding the traffic counter. I rolled the wire and placed it near Utility Pole 5.
