Re: Collection Transportation and Disposal of Solid Waste and Recyclable
Material Bid

On Thursday, March 8, 2018, bids were opened in the Town Council Chambers for the Collection, Transportation and Disposal of Solid Waste and Recyclable Materials. Bids were sent to a qualified list of vendors who provide this type of service and it was advertised in the East Greenwich Pendulum, and the town's website. It was also posted on public bulletin boards at the town hall and the public library. Bids were sent to seventeen (17) vendors who supply these types of services. Three (3) bids were received for this proposed service. The lowest qualified bid conforming to specifications for the Collection, Transportation and Disposal of Solid Waste and Recyclable Materials was received from **ENVIRO-SAFE/MTG DISPOSAL**. I therefore recommend award to the low vendor for the Collection, Transportation and Disposal of Solid Waste and Recyclable Materials, namely **ENVIRO-SAFE/MTG DISPOSAL**, 300 Wampanoag Trail, East Providence, RI, 02915, for the unit prices as indicated on the enclosed bid tabulation sheet.
