RE: EG Fun Run

Dear Town Councilman of East Greenwich,

On behalf of the Eldredge and Frenchtown PTGs, I am writing to ask for your support of the Eldredge/Frenchtown Fun Run which is being hosted on May 11, 2018. This new event is an opportunity for our Eldredge and Frenchtown communities to unite at a fundraising event designed for families to do together, raising money for the PTGs while having fun!

We have raised \$5,000 in sponsorship from local businesses who support our event, and have 200 students and parents registered to run. We have worked intimately with the EGPD to ensure the race course is safe and meets their requirements, and have filed all the necessary permit applications and insurance paperwork to ensure compliance with all Town regulations.

The Fun Run will begin and end at Eldredge School, where students and families can celebrate their success with music, face painting, photo opportunities with our school mascots, and dinner/snacks from 5 available food trucks. We feel that it will be more than a fundraiser, it will be a wonderful event that brings the community together.

If you would like me to attend a council meeting to discuss this item, I will make myself available. Thank you so much for your time and service.

Regards,

Jennifer Carney
Chairperson, EG Fun Run
