Town of East Greenwich
Special Session
March 21, 2017 @ 7:00m
Town Hall, 125 Main Street, East Greenwich, RI 02818

Town Council Present: S. Cienki, S. Todd, A. Deutsch, N. Granatiero, M. Schwager

Town Staff Present: T. Coyle, III, L. Carney, W. Schmidle, S. Cirella, K. Benoit

Others: Joe Lindbeck, Department of Attorney General; Linda Dykeman, Providence Analytics

1. Call to Order and Pledge Allegiance to the American Flag

President Cienki called the meeting to order and led the assembly in the Pledge of Allegiance to the American Flag.

2. Reports and Communications

a. Presentation on Medical Marijuana

Ms. Joe Lindbeck, Department of the Attorney General, gave a lengthy slide presentation on the subject. She explained different license categories and spoke on several different topics such as environmental factors, public safety, surplus, medical relief, social justice, impact on youth, modern marijuana, cultivations, Colorado statistics, black market/social media, revenue, litigation and the Rhode Island Medical Marijuana Law. Potential challenges are employee's rights, substance abuse/treatment and effect on neighborhoods. Council was provided with some options to consider if the commercialization of marijuana is inevitable such as revising existing ordinances and/or passing a resolution opposing legalization in Rhode Island. She explained how the current bill is drafted which requires municipalities to affirmatively opt out and take each of the four license holders to referendum. If unsuccessful, regulating through zoning (time, place and manner) is the only other option. Councilors concerns in the following areas were addressed: new categories of growers, agricultural zoning, cultivators, Dispensary Oversight Committee, tax revenues on retail, abuse/fraud and testing for impaired driving.

3. New Business

a. Award of bid to Third Effect for Multimedia campaign in the amount of \$7,780.

Ms. Schmidle explained how the bid was disseminated and who responded. Based on the replies, certain criteria and a review with the Town Manager, she recommended Third Effect. A lengthy discussion followed on the elimination of the interview process due to the time constraints placed on the project. Ms. Schmidle explained how the vendors were chosen based on available resources such as the State MPA and that three replies were unsolicited. The frequency of direct mailings, the intent and the costs were deliberated amongst the Council members. Some funds for the project are coming from the budget for the Financial Town Meeting which was eliminated. Following additional Councilor's comments, the item was tabled.

b. Discussion of Town Budget

President Cienki provided a statement about the fiscal responsibility of the Town Council. She advised that the School Committee has provided information to the Auditor General that they will have a structural deficit. They have yet to present a solid plan to the Auditor General to address and resolve the issue. Failure to do so could result in fines of \$10,000 per day. After consulting with other municipalities, she located a firm called Providence Analytics.

Linda Dykeman, a representative of Providence Analytics, gave an overview of her and her business partner Gail Corrigan's professional experience with municipal finances.

Discussion continued with questions and answers related to what services she provides, discovery process and investigative strategies. The School Committee has declined the Town's offer for assistance in handling financial pressures. There were concerns over deficient reports made to the Auditor General. Main areas of focus would be Special Education, infrastructure and building maintenance, serving out of district students, duplicative departments and collaborative services. The Town has no authority to hire but can restrict funding to the minimum allowable by law. Final comments were related to unanticipated expenses such as enrollment and special education changes, renegotiating contracts, finding the problem and resolving it and creative budgeting.

At 8:40pm, Councilor Deutsch moved to adjourn, seconded by VP Todd. Voted 5-0 all in favor, motion carried.

**TOWN OF EAST GREENWICH, RHODE ISLAND
A RESOLUTION IN OPPOSITION TO H5475 AND S0481,
AN ACT RELATING TO CITIES AND TOWNS – SUBDIVISION OF LAND**

WHEREAS, House Bill 5475, an Act Relating to Towns and Cities – Subdivision of Land, and companion Senate Bill 0481 have been introduced in the Rhode Island General Assembly; and

WHEREAS, this Act proposes to reduce the state mandated time periods for review of major land development and subdivision application, to reduce the time periods for recording land use decisions and to impose a penalty on municipality equivalent to 50% of the application fee if the time period is not met; and

WHEREAS, the practical effects of this legislation for our Town and others will be to put unreasonable time pressures on the Town Planner and the Planning Board as applied to the largest and most complex types of developments and subdivision; and

WHEREAS, these major applications represent the projects with the most site impacts, infrastructure and technical issues, involving testimony from various experts such as engineers and lawyers, and requiring the Board members to absorb design and technical details; and

WHEREAS, these plans often require review by the Town's own professional experts, often times making it necessary for the Board to receive additional information and/or revised plans before a final vote in the affirmative can be made; and

WHEREAS, shortening time periods for review, may force the Board to vote with restrictive conditions or even a vote to deny, and will not serve the interests of applicants and developers; and

WHEREAS, these proposed changes are significant and were proposed without any initial input from the municipalities.

NOW, THEREFORE, BE IT RESOLVED, that the East Greenwich Town Council respectfully requests that all State Senators, Representatives and the Governor oppose House Bill 5475 and companion Senate Bill 0481.

BE IT FURTHER RESOLVED that the Town Clerk is hereby instructed to submit a copy of this resolution to the Town of East Greenwich's State Senators and State Representative in the Rhode Island General Assembly, the Senate President, the Speaker of the House, the Executive Director of the Rhode Island League of Cities and Towns, all the Cities and Towns in the State of Rhode Island and Governor in consideration of their support to defeat this amendment to the General Laws.

The **RESOLUTION** shall take effect on April 24, 2017.

The evaluation process is not designed to simply award the contract to the lowest cost agency. Rather, it is intended to help the Town select the right consultant with the best combination of professional attributes, experience, certifications and relevant skill-sets, including that of price, based on the evaluation factors.

At the completion of the RFQ process, the Town of East Greenwich will complete contract negotiations with the chosen vendor to provide services, representing, but not limited to, the proposal that best meets the Town’s criteria in cost, consultant requirements and references.

Background

During the current Fiscal Year 2018 budget preparation, the School Committee stated they are running a significant deficit and has agreed to ask the Town for assistance in hiring an outside Financial Consultant to assist with their finances. The consultant’s overall objective is to provide the Town Council and School District with an understanding of the District’s financial status that will improve the efficiency and effectiveness of the District’s management and operations. The Town Council and the School District are committed to collaborate together on providing the best services to our residents.
